Hey Brittney there was a SOP developed for recording interviews but not with interview questions. Also, I know what I drafted changes were made but I don't have the latest changes to the document. I have some guidance docs I can forward and I have the drafts we used for REACH if you want that let me know.

I have updated the questions for today's interview with Ex. 5 Personal Privacy (PP) based on your comments. Please note that if you believe anything is missing, there will be an opportunity to ask additional questions towards the end of the call.

Thanks everyone!
